

CISC 2305

Programming Assignment 1 (20 Pts)

Due at 10:00 PM Central (MyCampus)

Topics: Introduction to Visual Studio IDE

Write a C# program that prints “I love UMHB!” on a form with a purple background, and a picture of your choice. . Make sure the title of the form is your name and the text’s forecolor is gold.

Your form, when executed, should look something like this:
