

Program Submission Guidelines

- I. On top of your program, include the following as comments:
- File name, your name, course prefix & section, your Instructor's name, the name of institution, problem description, and the due date. A generic example is given below

```
/* *****  
'*  
'* File name: Example.xxx  
'*  
'* Programmer: Your Name  
'*  
'* Course: Course Name (CISC ####)  
'*  
'* Professor: Isaac Gang  
'*  
'* Institution: UMHB  
'*  
'* Problem:  problem description  
'*  
'* Due Date: Semester mm/dd/yy  
'*  
*/*****
```

- II. You must strictly adhere to the following, no exception!
- You must submit only your project file including the executable (.exe) before the cutoff date and time on MyCampus
 - Compress (zip) your projects and submit the zip file (.zip or .rar)
 - Use descriptive variable names
 - Name all projects as “project#_your_last_name”
 - No late projects will be accepted
